Purple Hanger Expansion

We have been so successful at our new location, 367 E. Tompkins St., that we have had to expand in order to keep up with our growing inventory! We have taken over the entire building, increasing our sales floor and our ability to showcase more merchandise. We've also extended our hours for the summer to make the store even more accessible. We are currently open Monday-Saturday, 10am-6pm. If you haven't been to the Purple Hanger in a while, be sure to stop by!

We have reorganized the front of the store, making it easier to browse through women's shirts, sleepwear, maternity clothes, and more!

Moving the majority of our toy selection to the back of the store has allowed us to display even more infant and children's clothing.

Women's pants have moved to the middle of the store, and we now have an entire room dedicated to displaying holiday items year-round!

Men's clothes have moved to the back of the store, along with out-of-season clothing, "vintage" items, toys, books, and more.

We have introduced our "Thrifty Fifty" discount section, where all items are only 50 cents each!

A larger sales floor has allowed us to expand our furniture selection.

At Safe Harbor, we rely on our generous community for support. To all who have donated time, money, or material goods, we say...

Thank You!

Altrusa members Sheryl Nyman and Pat Olson delivered a donation of paper goods, diapers, hygiene items, dish soap, and Hy-Vee gift cards to supplement our food pantry.

Berwick Baptist Church's Women's Fellowship kindly donated clothing, household items, and personal hygiene supplies.

Safe Harbor was chosen as one of the recipients of Catholic Charities' Annual Trivia Night. Kathy accepted a \$2000 check from a member of Catholic Charities' Community Advisory Board.

Cindy Painter, accompanied by her grandson, delivered a donation of paper products from Hy-Vee on East Main Street in Galesburg.

West Central Illinois Association of Realtors donated cash and food items to help stock our pantry.

Knox College Advocates for Choice raised funds for Safe Harbor in the amount of \$68.56.

Knox County Human Services Council Volunteer Recognition

At the Knox County Human Services Council Volunteer Recognition Event this past April, Safe Harbor took the opportunity to recognize Dale Grupe, one of the members of our volunteer team that does an amazing job for our agency behind the scenes. His technical assistance and expertise keep our phones ringing and our computers working, which makes it possible for us to continue to do what we do.

Dale has been volunteering with Safe Harbor for many years. He has provided computer and other technical support to our agency on an ongoing basis. He has provided this work on a 100% volunteer basis, saving our agency thousands of dollars.

School Supply Drive

Before we know it, the kids will be hopping on
that school bus and heading back to school!

Unfortunately, many of the clients we serve at

Safe Harbor do not have the means to purchase the supplies their
children need to have a successful start to the new school year.

We are now collecting items to help ensure these children are able
to begin the school year prepared. Our supplies are extremely low,
and any donation would be greatly appreciated. Needed items
include: backpacks, pencils, pens, crayons, washable markers,
colored pencils, erasers, glue, glue sticks, scissors, pencil boxes,
watercolors, Kleenex, notebooks, and loose-leaf paper.

Donations may be brought to the office during regular business hours.
