Santa needs your help!

The holiday season should be a joyous time, but for families affected by domestic violence, Christmas continues to be a difficult time. At Safe Harbor Family Crisis Center, we try to make the holidays a little brighter for the families we serve, but we cannot do it alone. Each year, we look to the community to help us give these families the Christmas they deserve.

Beginning November 1st, Safe Harbor will have a special tree located in our reception area. Hanging on the tree will be the names of children whose lives have been uprooted as a result of domestic violence. Organizations, families, and individuals are invited to choose a name from the tree and purchase gifts for that child. Gifts can include nonviolent toys, clothes, books, games, gift cards, etc., and can be dropped off at Safe Harbor during regular business hours.

Holiday Food Drive

When leaving an abusive situation, many of Safe Harbor's clients are forced to leave with little or nothing, and often have no means to buy food for themselves and their children. Safe Harbor has a small food pantry available to our clients. However, an increased need for services has left our cupboards nearly bare.

With the holidays fast approaching, we would like to restock our cupboards so that we will be able to assist our clients in preparing holiday meals for their families. Any nonperishable holiday food items would be greatly appreciated, especially instant mashed potatoes, cranberry sauce, yams, canned pumpkin, cake mixes, cream of mushroom soup, and French fried onions.

We are also low on staples such as macaroni and cheese and other boxed pastas, canned soups, cereals, canned fruits, and children's meals, such as Spaghetti O's and ravioli.

Food donations can be dropped off at Safe Harbor during business hours, Monday-Friday, 8:30am-4:30pm.

Thank you in advance for your help!

Last year,
Safe Harbor
provided
Christmas gifts
for 212
children!

Happy

Thanksgiving

Donate Your Old Cell Phone!

Still have that old cell phone lying around the house? Don't just throw it away, donate it! Any cell phone can be used to call 911, even if it no longer has service. At Safe Harbor, we keep a supply of donated cell phones with chargers that can be given to clients who may have no other means of contacting the police in an emergency.

Can't find the charger? That's okay! We also accept phones that are missing chargers and batteries. We'll even take that broken cell phone off your hands!

Just drop them by our office during regular business hours, Monday-Friday, 8:30am-4:30pm.
