## Safe Harbor's Annual Volunteer Party

On April 28, 2011 Safe Harbor staff and volunteers gathered at Galesburg's Hungry Hobo restaurant for our annual Volunteer Party. The luau theme created a fun and festive atmosphere that allowed everyone to relax and enjoy the evening. The food was catered by Hungry Hobo and consisted of several types of sandwiches, chips and drinks. There was cake and cookies for desert.

New this year was a video presentation of the many volunteers who have donated their time and talents to Safe Harbor throughout the past years. Many of the attendees were pleasantly surprised when they saw their photos on the screen. At the end of the night, each person was able to choose a gift to take home as a token of thanks for their hard work on behalf of Safe Harbor.

The staff wishes to thank the wonderful people who give of themselves to our agency each day. It is through your gift of time, money and talent that we are able to assist Knox County victims of domestic violence. Thank you!

## Calling All Cell Phones

Deactivated cell phones, utilized as 9-1-1 phones, are a vital service for Safe Harbor clients. They increase safety as well as peace of mind. Upon request, they are given free-of-charge to our clients. However, our inventory fluctuates on a daily basis. Therefore, we are putting an **“all-points bulletin”** out for used cell phones.

Safe Harbor accepts all types of used cell phones. We do ask that, if at all possible, the chargers be included. This way they can be kept fully charged and ready to go. Moreover, we even accept broken and analog cell phones!

We do request that donated cell phones be brought into the front office during office hours of Monday through Friday 8:30 am to 4:30 pm. For all of those who donate cell phones to Safe Harbor, thank you. It is appreciated.

## Safe Harbor Needs School Supplies!

Although school has only been out for summer break for a couple of weeks now, it won't be long before parents will be shopping for those back-to-school items that every student will need for a successful academic year. Community support has helped Safe Harbor distribute school supplies to children of Safe Harbor clients for many years. This year our inventory is very low and we need your support more than ever. Items needed include; pencils, pens, scissors, glue, glue sticks, markers, crayons, colored pencils, pencil boxes, highlighters, erasers, water colors, 2 pocket folders, backpacks, boxes of kleenex, hand sanitizer, disinfectant wipes, and ziplock bags (quart and gallon size).

This is one of many important services Safe Harbor is able to provide to clients. For many victims of domestic violence, there just isn't the money to buy basic school supplies due to escaping a violent relationship. Being able to offer such items allows victims to focus on other needs that will allow them to remain free from the violent relationship. Moreover, because of budget cuts, Safe Harbor must rely even more on the support we receive from the community. As a result, your support is greatly appreciated.

## REMINDER: Save-the-Date for Safe Harbor's 2011 Fall Fundraiser

Donations have been arriving and the range of baskets will be awesome and just in time to fill your Christmas list needs! The band, No Reason, and the pizzeria, The Cellar, have generously announced that they will again donate their talents for music and food for the event. This year's raffle item will be an iPad 2. The price of the ticket includes admission, food and music.

Tickets will be on sale prior to the event and can be obtained at Safe Harbor administrative offices and the Purple Hanger. ## ***Knox County Human Service Council's Volunteer Appreciation Luncheon***

On May 25, 2011, one of Safe Harbor's volunteers, Chris Ferguson, was honored at Knox County Human Service Council's annual Volunteer Appreciation luncheon.

Chris has been volunteering at our office three days a week since he completed training. He assists the office with administrative projects as well as direct client services and court advocacy. He has been an important asset to the office and staff. His time and talent is very much appreciated. Thank you, Chris!

## ***Safe Harbor Needs Your Help***

One of the free services Safe Harbor Family Crisis Center offers to victims of domestic violence is food. Victims in crisis often have only the clothes on their backs and very little means with which to obtain basic necessities. Whenever a client in crisis needs food, Safe Harbor is able to provide non-persishable food items that will feed them and their family. However, our small food pantry is critically low. As a result, Safe Harbor's ability to assist victims in crisis is severely limited, and we need your help to restock our pantry.

Therefore, we are requesting donations in the form of canned meats (aka tuna, chicken and ham), canned dinners (spaghetti rings and ravioli), soups, creamed soups and canned fruits. Additional items also include: *Tuna Helper* (and other varieties), *Betty Crocker Complete Meals*, cereals (both cold and hot versions), peanut butter and jelly, crackers, mac-n-cheese, pasta, spaghetti sauce and canned beans. Another wonderful donation idea is five dollar gift cards to local grocery stores. We also need dish soap, toilet paper, toothpaste, deodorant, diapers (especially sizes 4, 5 and 6), baby wipes, baby hygiene products, and feminine products.

Your time, donations and support are greatly appreciated by everyone at Safe Harbor.
